AutoPilot

50 Prompts to Fill Your Pipeline

Just tell us in plain English who you want, where, and for how long. Swap the **area** and the **number of weeks** in any prompt below — paste it into the AutoPilot box at orbitleads.ai/autopilot and we build the whole campaign end to end: branded emails → a landing tool → hot leads in your CRM.

4 weeks	8 weeks	12 weeks	16 weeks
150 credits / lead	200 credits / lead	250 credits / lead	300 credits / lead
$1.50	$2.00	$2.50	$3.00

Pay-as-you-go. No contracts. You're billed per lead as it's delivered — the longer the program (more touches), the higher the per-lead price. (Email today; SMS and AI-dialer tiers coming.)
